

When driving home from town travelling N & E, I was facing 13200 ft. but when I made a left turn due north I had to stop to unfasten chain across our private road, I saw this big round silver disk with a

21. How did you happen to notice the object(s)? trail of flickering lights + haze (perhaps smoke) which quickly burned out. Got back in my car, watched the silver disk

22. Where were you and what were you doing at the time? I was 5 min. then decided to hurry on home + look from my east porch. Had to turn left again.

23. How did the object(s) disappear from view? They seemed to go back the direction they had towards the west + when I got to the gate, zoomed in (east) + kept dimming

24. Compare the speed of the object(s) with a piston or jet aircraft at the same apparent altitude. out of sight. got out of my car, the gold disk had sit down maybe 50 ft..

25. Were there any conventional aircraft in the location at the time or immediately afterwards? If so, please elaborate. No. to the south of the silver one.

26. Please estimate the distance of the object(s). about 1 1/2 mi. east of my ranch house to a good 2,000 + ft. higher than

27. What was the elevation of the object(s) in the sky? Please mark on this hemisphere sketch. elevation of the ranch buildings down silver of The Peak. Old, but had rainbow bar

28. Names and addresses of other witnesses, if any. Mrs. Willard Marshall at the ranch buildings Browns Peak Frazer
